HIGH RELIABILITY—LOW COST OF OWNERSHIP

Designed for high output performance in demanding print environments—from the office to the warehouse—InfoPrint® 4247 industrial strength printers provide professional reliability at a cost of ownership that is surprisingly attractive. With an impressive functional lifetime, low per-page costs, and worry-free operation, impact printers from InfoPrint Solutions Company continue to deliver business value that laser printers simply cannot match. For mission-critical applications where reliability is paramount, or when the cost of printing is a concern, the InfoPrint 4247-Z03 is ready to support core business needs and protect the bottom line.

FAST SPEED, BROAD FUNCTIONALITY

With print speeds up to 1,100 cps[1], and durable metal covers, the InfoPrint 4247-Z03 is built to deliver outstanding performance in the most demanding and rigorous environments. Optional dual front paper paths and heavy-duty 6-pin tractors with motion sensors provide easy forms loading and reliable paper movement to support printing on a wide range of multi-form printing.

BOOST EFFICIENCY WITH POWERFUL REMOTE PRINTER MANAGEMENT

The Remote Printer Management Utility, included with the optional Ethernet controller, gives users visibility to real-time printer status

for every printer on the network, remote configuration of multiple printers simultaneously, and remote full function access to a virtual operator panel.

MAXIMIZE PERFORMANCE WITH SAFE AND EFFECTIVE SUPPLIES

InfoPrint supplies are manufactured specifically for our printers using special formulations to minimize part failures resulting in downtime and maintenance charges. Our supplies are produced under strict quality control guidelines to assure consistency from lot to lot. In addition, supplies are rigorously evaluated so that they will maximize InfoPrint printer performance and are safe for our users and the environment.

ADAPTABLE TO YOUR BUSINESS NEEDS

The combination of paper parking, switching and linking can help you maximize your printing options and increase productivity. The all-points-addressable graphics capability enables quality printing of bar codes, logos, overlays and more. To enable the migration from legacy attachments, the integrated Ethernet card supports IPDS and SNMP. For optimal placement flexibility, pedestal and cabinet configurations are available.

EASY TO USE AND EFFICIENT

Automatic forms loading and thickness adjustment, along with customizable intelligent forms handling, enable highly efficient forms loading and retrieval. Additionally, the user-friendly operator panel features an intuitive design for efficient navigation and a multilingual 2x24 LCD display for easy-to-read menus and messages.
