Tally DASCOM

Highlights at a Glance:

- Print Speeds **up to 680 cps**
- **20,000 Pages per Month** Workload
- 80 Columns
- 24 pin Print Head produces excellent print quality
- **Straight through paper path** for easy forms loading
- Ethernet, Parallel and USB interfaces standard
- **LCD** Display

The Tally Dascom T2600+ is a highly featured, reliable and stylish machine. Performance and workload, ergonomics, maintainability, excellent price - everything has been incorporated to ensure it is the only acceptable choice for the customer.

Continuous and cut forms are fed at the front for quick and easy loading. This ensures a straight path for the forms resulting in a reliable paper transportation, even on 6-part stock. Loading the paper is easier. The operator does not have to fumble over or around the printer to gain access to rear located tractors.

User intervention is kept at a minimum with a suite of features designed to ensure the products run at optimum reliability and performance.

The product is at home in the computer room, or in the office. An unobtrusive 52 dbA acoustic rating results in a printer, which is half as quiet, compared with many competitive models.

Intelligent Mail Barcode - be sure your printer has this important feature

The US Postal Service bar code standard will require this capability to take advantage of the best rates available.
